Welcome new full members: Dan Schulz, Greg McCulloch, and Adam S. Kocienski (was an associate member). When you see them, please give them a warm Robinwood Park greeting.

Pictures: As summer is now in full swing, we hear rumors of nice bass and also some nice trout being caught. If you take any fish, hunting, wildlife, or scenic pictures please email them to me and I'll do my best to get them on the club website. You can also post such pictures on Robinwood's facebook page (check it out and "like it").

The loggers will be in very soon to commence logging operations (up to 12 trucks per day). Lyme road contractors have improved road conditions so much so that it will be tempting to increase your speeds, but please keep your speed to the posted amount (15mph). You never know what's around the next hill or corner.

The annual Robinwood picnic and auction is being planned for Saturday July 30th. The picnic meal (pig, hamburgers, hotdogs) will begin approximately at 2 pm and be followed by our auction. Please bring a side dish and or a dessert to pass and your own drinks. Also, and I have to be careful here, please bring interesting, usable, unusual, and/or homemade items for the auction. If any of our ladies wish/want to bake a pie for the auction I'm sure they would be well received. You can bring auction items the day of the picnic or you can start bringing them now and put them in the dining lodge. Check for any updates/changes in times and activities at the front gate sign-in box July 29/30.

Fall work weekend will be held on Saturday Sept 10th.

There are still 2 camps for sale. #1: Rich Daigle's camp/contents for \$25,000. Contact Rich at 518-695-4077. #2: the club camp (in the back) is still for sale. Asking price is still a very reasonable \$12,000. Other options for this camp include lease to buy, lease for months at a time, or lease for a year. Please contact Al for details.

Please keep taking the fliers that have been placed in the dining Lodge to give out to friends, and post in your home communities, businesses, and work places.

All members/guests, please always remember to sign in and out of the logbook at the front gate.

No parking is permitted on the State land by the lakes and no motors are permitted in or on your boat or canoe on Lows L. (beyond Jeep trail culverts). Any boat w/motor must be registered, all ATV's must be registered & insured, please wear your helmet.

The club Board is trying hard to be good stewards of all monies that come into the club treasury. We currently have 90 members that have paid most or all their dues. This includes the 3 new members. We appear to have lost 12 members from last year's member roster. It seems like in every memo and newsletter, we post reminders for monies owed the club. I/we would like to just once not have to do this. But at this particular time we can't. So we are asking if you owe for missed spring work weekend (\$50) or any guest fees incurred (\$10 a day whether 1 hour or 24) to please remit as soon as possible. Also the due date for the second installment of dues is due by Aug 1st. Camp taxes for 2016 are due by Aug 15th. If you are unsure or question if you owe anything please contact Jay Farrand.
