## Greetings All,

(Note – this newsletter has a second page)

**Spring is here**.....at least the calendar says so (it was snowing today as I write this). It appears this spring is almost a carbon copy of last year. Yes it's LATE again. We are hopeful to open the main road a bit ahead of last year (May 16<sup>th</sup>). We will keep you all posted as to when the road will open for truck traffic.

**Our annual club banquet** in Lake George was attended by 43 members, spouses and friends. Nothing earth shattering to report. To summarize:

Our club officers/BOD will stay the same with the exception of long time BOD's Jay Farrand and Darren Taylor stepping down. We would like to express our tremendous thanks and gratitude to both as they have each served willingly and humbly through thick and thin for many, many years. Their expertise covered multitudes of projects, positions, and overall willingness to help with virtually anything. For this we THANK YOU!

**New member** Jordan Ross, who heads up **Trout Power** (check out on Facebook) did a great job with his brook trout presentation. It was very well received by all in attendance. THANK YOU as well to Gloria/Mike Cameron for organizing our banquet. It turned out excellent once again.

**Ed Koch** reported there are still some full shares left (also can be sold as units) remaining for purchase. We are now approx. 2.5 years away from paying off our obligation to our partner for the property out back.

**2019 ANNUAL membership dues** remain at \$800. Full or partial (\$500) payment is due by May 1<sup>st</sup>, 2019 (remaining dues \$300 by 8/1/19.) If

your plan is to pay at Spring work weekend (SWW), this is certainly acceptable. **CABIN owner fee** (taxes) remains at \$150 and are due by 8/15/19. Annual **camper/trailer site fee** is \$100 and is due upon picking your site. If changing or receiving a site for the first time please remit a signed camper/trailer guidelines sheet to Bob B. **Propane tanks** are still \$100, **missed work weekends** continue at \$50 and **guest fees** are \$10 (for any part of a day). **Winter guest fee** is \$5 a day. All fees are due within 30 days from date incurred. A 10% late may be owed to the club thereafter. If anyone is in need of special circumstances for dues payment please contact Bob B. to work something out.

**SWW** will be held **May 18 & 19**. We ask participating members to bring tools for road work (chainsaws, brush snips, rakes). We will be cutting wood for club cabins depending on numbers present and whether we would like to continue our offer to members wanting some wood for \$50 a truck load (approx.), cut, split and delivered. First to let me know will be first, second & so forth. We will do our best to accommodate our member requests. Meals will be provided on Sat. breakfast (7 am), lunch (noon), dinner (6 am). Sunday breakfast is at (8 am).

**Our club bylaws** have been updated recently with some changes. We encourage all members to pick up a set as they will be made available at the dining lodge, or read them on the Robinwood webpage.

**There will be a NEW Brook Trout take sheet** to be completed if you take brook trout from Clear Pd. (Clear Pd. only). The sheet will be in the sign-in book and on a clip board in the dining lodge. Please fill out one or the other. Thank you for your cooperation.
