Hello All,

First and foremost I'd like to **welcome** all 14 new (3 from the past) members that have joined this year. We hope your experience at Robinwood will last for years and years. Please give them each a nice warm welcome when you meet them.

My favorite season is coming full throttle. We hope you will also enjoy the **Fall season**, participating in activities such as small and big game hunting, late season fishing, ATV & UTV riding, canoeing & kayaking on the lakes, visiting and of course taking in the Fall colors.

The **loggers** who have now been in for about 6 weeks have let us know they will most likely be finishing up in a couple weeks. Thank you all for your patience during their operations on the club.

DUES & FEES: Thank you all for all of your payments rendered to the club in a timely manner. Please don't forget your guest fees if they are owed.

As all **club events** have been cancelled this year due to the "Virus", our Buck (or big game) Pool will be altered as well. This year's Buck Pool will not require joining with a \$5 entry fee. Instead, a random draw will be held at the end of the season. Anyone taking a big game animal (bear & deer) will be included with the winner receiving \$100. Please register all big game harvests as the club bylaws state.

A member has notified me that he would be willing to offer his **camp for use** to members not affiliated with a camp during the hunting season. If this interests you or if anyone else wishes to offer the same please contact me before the fall hunting seasons start.

We will be instituting a **new club policy** on (member) use of club equipment. Please contact Bob M. or Al L. regarding new policy.

Items of Note:

+ Thank you to Glenn Martin & Mike Cameron for your recent road work efforts. The road work spots look great.

+ Anyone using the club generators please do not leave them running unattended.

+ If any member has ANY questions or concerns about camping of any type on the club grounds, PLEASE don't hesitate to contact a club officer or BOD.

+ Helmets are required for all ATV drivers/riders. Please be mindful of your speed on club roads (all vehicles).

+ Please continue to vote for your favorite photo by sending your vote to Gloria Cameron at gloria35J@gmail.com

Happy Hunting! Happy Fall!

Stay safe everyone.
