**Hello All.** I'm sorry to have to start this newsletter out on a sad note. New member Peter Hornbeck (renowned master canoe/boat builder) passed away on 12/26/2020. Our condolences go out to his wife Ann.

**Our Annual Club Banquet** (April) will again fall victim to the current CO-VID virus crisis. Our club BOD's do not want a repeat of last Spring where we tried to schedule, then had to cancel after members had sent in meal \$\$ and made hotel reservations. So we will just play it safe at this point. If anyone wishes to view this past years financial statement (which would have been made available at the banquet), please let me know and I will email you a copy. Also due to the cancellation of the club banquet(where we would normally vote on club officers) we will continue under the same slate of officers.

**Dues/Fees: 2021** Annual membership will stay at \$800 for another year. If installments are used, the first payment of \$500 is due on May 1<sup>st</sup>, with the remainder due by Aug. 1<sup>st</sup>. **Cabin tax, which has remained at \$150 for the past 7 years will increase this year to \$200 and are due by Aug. 15, 2021.** Camper/tent site fee\$100, Propane tanks \$100, missed work weekends \$50, and guest fees remain at \$10 a day or \$5 for winter months. Each member is responsible for paying monies due within 30 days after charges are first incurred. We wish to thank our members for paying all \$\$ owed by years end and for members who donated extra \$\$ along with countless hours rendered on the clubs behalf. All early payments are certainly appreciated.

**Dates/Events:** At this time because of Co-VID being so rampant, we most likely will not have an official Spring work weekend (SWW). What we will most likely do is have an impromptu,

unofficial (no gathering) work bee on the weekend of 5/15, similar to what we did this past year.

We have tentative dates for the remainder of our normal club functions: **Picnic** 8/14, **Fall WW** 9/11&12, and **opening day dinner** 10/23.

**WINTER weather report:** The club has about 6-8 inches of good base snow on the main club road, with a bit more outback. We will be accepting plowing donations for Glenn Martin from now until the snow is gone (Glenn plows in thru the front gate thru to the Lodge house). You can send donations to me, leave in my camp mailbox, or send to Glenn directly if you wish. Any and all donations will be greatly appreciated.

### CLUB NOTES:

\* 5 bucks harvested, Bruce Balliet was heaviest at 188 lbs.(8pt.),Ken Balliet 168 lb.(8pt.),Neil Balliet 108 lb.(4pt.),Bob Brouillette 164 lb.(8pt.) and Deb Lancor 120 lb.(4pt.), Congrats to all!! Thank you to Arthur Mercandante for his donation to the Club buck pool.

\* Even though we settled on the Boy Scout lease for big game season, it appears to have been a hit with most everyone who ventured over. Also we have been in contact with their representatives' and it appears they wish to continue our relationship while expanding on the opportunities their property has to offer. We will keep you posted.

\* We know that there is not much ATV use in the winter months, but just a friendly reminder for all members to wear your helmet and to please watch your speed.

\* We ended 2020 with 122 members (including 19 new), the most we have had in quite some time.

\*Special thanks for the time and efforts of Glenn Martin, Mike Cameron and Will & Bill Rounds on all road maintenance (and to anyone else I missed).
