Hello All,

Cool weather is coming and with that comes all the great Fall activities that Robinwood Park has to offer.

For the 2<sup>nd</sup> consecutive year the club has seen monumental **member growth**. Thus far this year we have had 22 new members. As of this newsletters date our membership stands at 132. Please give all of our new members a warm Robinwood welcome when meeting them.

**DUES/FEES:** All club dues have been paid (thank you all) If you owe cabin tax, which is now over due, please remit ASAP. Also if any guest fees are owed please remit also.

**THANK YOU** to ALL who made this **summer's picnic/auction** a tremendous success!! We had approx. 100 people in attendance and the food was just fantastic. We are already looking forward to next year (our 50<sup>th</sup> club anniversary) picnic, but really don't know how we can top this one. If anyone has any ideas for our 50<sup>th</sup> club anniversary please give your ideas to a club officer.

We will be holding our **fall work weekend** (FWW) on **Sat/Sun 9/11&12**. As we continue easing back into club functions, we will ONLY be having lunch (Noon) and dinner (6pm) for meals. We will meet at the cooks lodge at 8 am for a cup of coffee and discuss work details and locations for the day. We will mostly be brushing back on spur roads and obvious main road new growth. We possibly may cut/split a pickup load or two of wood.

We will be holding an **Opening Day dinner** on **10/23** at the cooks lodge at approx. **6:30 pm**. Anthony/Heather McNeill will be doing the cooking/preparation for this year's meal. If anyone would like to give

them a hand, I'm sure they would welcome the help.

Getting ready for big game season, we will be holding a normal "**buck pool**" this year. A \$5 entry fee per person will be accepted from now until opening day. Please get the \$\$ to Bob B. (Mail or leave in his camp mailbox with a note). Payout will be at least \$200 for heaviest buck (all innards removed) and at least one random draw at \$100 for the remaining bucks/bears entered. As per club by-laws please use the scales and register at the cooks lodge.

We are hoping for a **propane delivery** sometime around the 1<sup>st</sup> week of October.

Please watch for a **Boy Scout lease** memo from Bob M. as a new lease for this Fall has just been forwarded.

Glenn Martin and helpers will be working the **grader on our roads** in the coming weeks. Please be patient if you happen upon Glenn or a trainee as you probably know this piece of equipment is very slow.

Please remember to continue **signing in your trout** in the front gate trout log sheet, and always sign in & out.

We are receiving questions regarding **ATV/UTV use on our tote/logging roads** during big game season. Please refer to the club bylaws.
